AMEA Bitumen 2019

4th Asia, Middle East and Africa (AMEA) Bitumen Conference

Meet The Largest Bitumen Buyers and Sellers from Asia and the Middle East in One Place!

As the region undergoes tremendous changes and is expected to attract energy companies of all sizes from the largest global players to the smaller traders, AMEA bitumen hopes to tie in the perceived supply and demand challenges and connect the dots of the bitumen industry in the region.

The AMEA Bitumen Conference will provide a comprehensive overview of the region's bitumen market including the latest trends, drivers, competitive landscape, logistics updates, technology developments, demand and supply information and will offer delegates the opportunity to network with leading industry experts, exchange information and have access to premium presentations.

Petrosil AMEA Bitumen Conference in Strategic Alliance with Bitumart which is the Largest and Fastest Growing Bitumen Platform in the World with 16,000 Global Members!

> "The conference aims to bring together leading industry players from the world's fastest growing bitumen markets in the region."
